As Christians, we are in another campaign, a greater campaign. We are in a spiritual campaign, There is a spiritual battle being waged by Satan and his forces against Jesus Christ, Christ and the power of righteousness. Now we know who is going to win, or rather who has already won through His death on the cross and the victory of His resurrection. But the truth is also that in many persons' lives, He is not winning. One of the reasons for this is the reason for this is the lack of campaign workers, even precinct workers. Each one of us as a Christian should be a campaign worker for Jesus Christ. We need to be making that personal contact with those who do not yet know Jesus Christ and then share His love with them. We each need to be doing those deeds of kindness that demonstrate the love of Christ. We need to be telling others the glorious good news of the saving power and grace of God through Jesus Christ.

We need to be precinct workers for Jesus Christ, where we, one on one, convince others that our "Candidate" is the right choice. Many times in political campaigns the better candidate may lose just because the campaign workers and possibly the precinct workers, did not do their job of convincing others to vote for their candidate. In the spiritual campaign for the eternal soul of men and women, is Jesus Christ losing in persons' lives because we as campaign workers are not doing our job diligently? Jesus Christ needs faithful precinct workers, in order to win the battle in many lives. Lets be diligent and faithful in the campaign for Christ.

Your Kingdom co-worker,
Pastor Vernon

Our Witness

By Betty Cochran

Romans 10:13-14: For "everyone who calls on the name of the Lord will be saved." How then will they call on Him in whom they have not believed? And how are they to believe in Him of whom they have never heard? And how are they to hear without someone preaching?

It tells throughout the Bible to be a witness for our Lord and Savior. There are many ways to witness and here's one way I and others were able to witness without even realizing it.

As you all know I just came back from a serious operation. During that time, cards came flooding in. I placed them on my buffet and even took a picture of them. I ended up with 51 cards. When others came to visit seeing all the cards they asked me where they all came from. And I would say with a smile, from my Brothers and Sisters in Christ! I couldn't go through what I have been through without them. This didn't just happen to me, it has happened to others in this congregation. When you extend God's Love it is a witness to everyone who comes in contact in one way or another.

Walk with him, talk with him and he will use you for his witness here on earth.

May God's blessings fall upon you.

National Collection Week is November 14-21, 2022.

Operation Christmas Child delivers great joy and the Good News of Jesus Christ to children in need around the world through gift-filled shoeboxes. Each box packed full of quality toys, school supplies, and personal care items becomes a tangible expression of God's immense love for the child. For many, it is their first gift ever! Delivered by our local church partners, shoebox gifts provide an opportunity to present the Gospel to boys and girls in a clear, child-friendly way.

How to pack a shoebox:

1. Find a shoebox.
2. Grab a label - boy or girl, age
3. Fill with gifts - Select a medium to large "wow" item such as a soccer ball with pump or stuffed animal, then fill with other fun toys, hygiene items, and school supplies. Don't forget to also include a personal note and photo—sometimes these are the child's favorite things to receive!
4. Most importantly, "pray without ceasing" (1 Thess. 5:17) for the child who will receive your shoebox gift.

CLOTHING DRIVE

CHRISTMAS

HI EVERYONE WE'RE BACK

After two years of an abbreviated **Christmas Family Adoption Program**, we're back in full form. Good used winter clothing along with linens and lightly used toys will be accepted now and placed in room 8 located on the second floor at the top of the stairs by the office. Food and personal items can be brought in starting November 6th. These items are to be placed in room 4 or just outside the room if the door is locked.

We are very excited to be able to return to serving our **Christmas Families** in this way. The gift tree will be up and running by the middle of November. This program is blessed and has served our Lord for over 30 years because of the love you show. If you have any questions or need more information, please don't hesitate to call Kathy Feiler (440-969-1857), Judy Richards (440-969-1428) or Betty Cochran at the church (440-969-1562)

Thank you again for all your help.
